

Physician to Physician

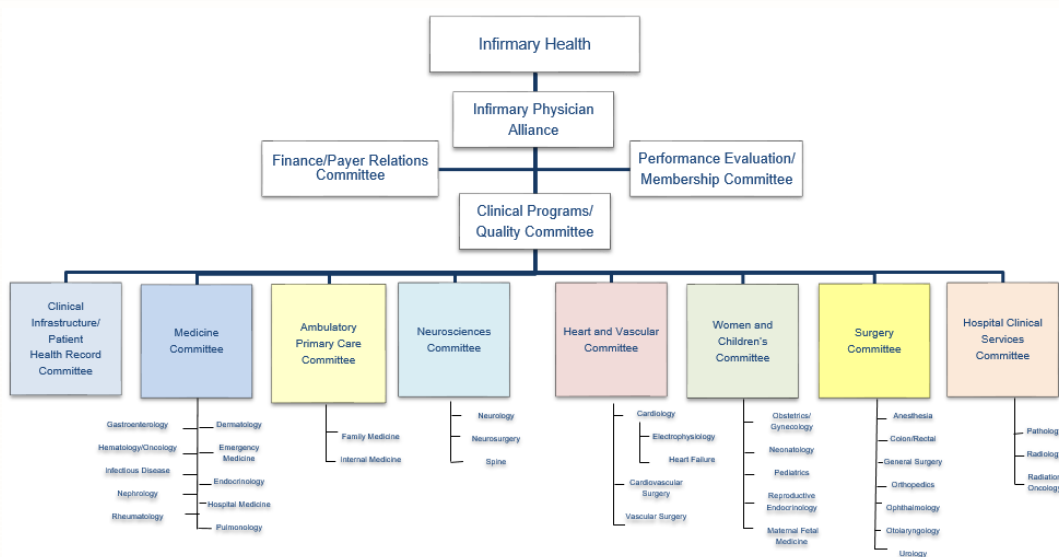

Collaboration. Leadership. Quality.

Edition 1 • March 2019

Clinical Integration

The Infirmary Physician Alliance (IPA) is a physician-led, physician-driven, and physician-governed organization that is aligned with Infirmary Health to provide physicians with a more integrated role in strategic planning, patient care and quality program implementation, and managed care contracting with payers/employers. The Infirmary Physician Alliance's main goal is to improve clinical quality and the care efficiency necessary to demonstrate value to payers/employers and patients.

Infirmary Physician Alliance Governance Structure

IPA Board Members

Dr. Joey Carter
 Dr. Jennifer Cunningham
 Dr. Brian Dearing
 Dr. Fulton DeFour
 Dr. Wendell Erdman

Additional IPA Benefits

Through the IPA there will be additional value add services provided. The services that are currently being developed are consist of:

- Group Purchasing
- Health Insurance
- EPIC Integration

Infirmary Physician Alliance Contracts

Payer contracts being targeted for the Infirmary Physician Alliance consist of sharing savings agreements with commercial payers, employers, and Medicare Advantage plans. The IPA currently has three payer contracts for 2019 (Viva, Blue Cross, and United Secure Horizons). Along with these three contracts the IPA will continue to work towards additional contracts with employers and payers.

If you are interested in serving on a committee please contact Ryan Summerford at Ryan.Summerford@InfirmaryHealth.org or 251.435.4784. Please see the back of this newsletter for the current committee structure.
